Work experience

Operations Trainee
Tvs Motor Company
Hosur **Aug 2023 – Aug2024**

- Optimized daily operational activities and cross-functional workflows to improve overall efficiency.
- Analyzed operational and performance data to support strategic decision-making and business planning.
- Maintained compliance with internal policies and regulatory standards across operations.

Murugan Honda
Gudiyattam **Jun 2022 – July 2022**

- Supported servicing and maintenance of two-wheelers, including engine repair and component replacement.
- Assisted in workshop operations such as wheel alignment, washing, and delivery readiness.
- Contributed to dealership activities including marketing support and vehicle logistics.

Projects

Eye-Controlled Computer Interaction System

- Developed an assistive solution enabling users with physical disabilities to operate a computer using eye movements
- Implemented real-time eye tracking with MediaPipe and OpenCV to control cursor movement and simulate clicks via blinks and winks
- Selected for the final round of project evaluations

Web Wheels – Track Monitoring System

- Developed a high-efficiency track monitoring system to monitor and manage operational activities in real time.
- Designed a responsive web interface for tracking system performance and monitoring data efficiently.
- Implemented features to improve system visibility, monitoring accuracy, and operational efficiency.
- Built with modern web technologies to ensure scalability and smooth user interaction.

Education & Learning

Bachelor's Degree
Information Technology
CGPA : 7.29
Bannari Amman Institute of Technology,
Sathyamangalam, Erode | 2024 – 2027

Diploma Degree
Mechanical Engineering
Percentage-85%
Rajagopal Polytechnic College,
Gudiyattam, Vellore | 2020 – 2023

10th School
Percentage-86%
Ambal Jain Saraswathi Matriculation Vidyalaya,
Gudiyattam, Vellore | March 2020

Skills

- Programming Languages: C, Java
- Web: HTML, CSS, JavaScript , React
- Database: MySQL
- Tools: MySQL Workbench, Figma
- Concepts: Problem Solving, OOP Basics

Certifications

- Figma Bootcamp
- ServiceNow Micro-Certification-Welcome to serviceNow
- ServiceNow Micro-Certification - Flow
- ServiceNow Mircro-Certification- UI Bilder
